BITUPRIMER ECO+

BITUMINOUS PRIMER

Specific primer for bituminous paints

Non-toxic bituminous emulsion with added evaporating agents to provide a fast drying process. BITUPRIMER ECO+ is a brown coloured liquid which dries to a dull black brown membrane. The product is ready for use.

Mixing and application

BITUPRIMER ECO+ is generally used as a primer for dusty surfaces, the adhesion of bituminous prefabricated membranes and as a protective for prefabricated concrete surfaces. BITUPRIMER ECO+ is also suitable for application onto metallic surfaces.

Remove any loose deleterious areas from surface. BITUPRIMER ECO+ can be applied using a brush, roller, trowel or spray gun. Stir the product thoroughly, with a maximum dilution of 25% clean water. The surface consumption may change in relation to the degree of absorption.

Recommendations

Store the steel cans away from heat sources or high temperatures. Stir the product thoroughly before use. Due to the products rapid drying time soak tools in gas-oil or other solvents after use. Avoid using the product in the imminence of rain or temperatures under +5° C.

Chemical characteristics

Chemical properties	Water based primer
Colour	Brown (once dry become Black)
Dry bulk density	1,08 ± 0,02
Bitumen %	45% ± 2%
Dry time	15 min at 20°C
Allowed dilution	Good
Allowed dilution	up to 25% with water
Leed	approved
Release of dangerous substances	See MSDS
Shelf life	12 months from production date in its original packaging (unopened container) between 5° and 30° C in a cool dry place.
* indicative values, depending on the nature of the material and environmental conditions	

Coverage
1 kg for 3-4 m²

Storage
12 months in original intact packaging and stored in a dry place.

Packing
Drums of 10 kg and 20 kg

Safety procedures

As far as the proper working procedures is concerned, we recommend to consult Material Safety Data Sheets issued according to E.U. rules and to follow your national laws concerning safety in the working place. MSDS is available on our web site www.primaxbuild.it

Trademark and Origin of the good

PRIMAX[®] is a registered trademark of Bellinzoni company. The law considers a trademark to be a form of property and any misuse can be persecuted by law. Bellinzoni s.r.l. declares that our product BITUPRIMER ECO+ is MADE IN ITALY.
